Eds.Change - Reach Your Full Ability

I can navigate new environments,
applying skills I learnt previously

Newsletter

Welcome!

To another addition of the newsletter. It is starting to get cold so we decided this was the week to BBQ (obviously). Despite the cold weather we had a wonderful time! and we welcomed a new member of the crew - Bianca!

Our first stop was at the cafe in Allambie Heights to prepare our shopping lists. Everyone is doing very well at reviewing the drinks menu, ordering their chosen beverage with little assistance and paying for it.

After our cafe stop we headed to IGA to find all the ingredients we needed. All participants are becoming confident in different shopping environments each week.

Don't forget to check out our antics on our new instagram account for Eds. Change (@eds.change) Katie regularly posts videos and pictures up there.

Katie will be away at a professional learning event this Friday so Ali will be running the show. Katie is still around on email and phone is needed.

Best,
The Eds. Change Team.

Our next change routine was, instead of heading to the kitchen we headed to the garden where the BBQ lives. Luke and Michael got the BBQ fired up and away we went.

Everyone had the change to flip some burgers and learn what the heating rack was for. Whilst each person had a go on the BBQ the others in the group prepared the salads, buttered rolls and chopped up the onions. The team effort meant that lunch was quickly on the table and we enjoyed both sausages and burgers.
